**Summary of reasons
for classification:**

The publication entitled *N128-04.jpg* is classified as:
Unrestricted.

The publication is a posed nude portrait of a young woman. Her age is ambiguous, and the image is not reasonably capable of being regarded as sexual in nature on its own. The content of the image does not enter the subject matter gateway defined by the Films, Videos, and Publications Classification Act 1993 (FVPC Act). The publication also does not deal with any of the criteria listed under s3A or 3B of the FVPC Act. Therefore the availability of the publication is not likely to be injurious to the public good, and it can only be classified as unrestricted. The unrestricted classification has no impact on considerations contained in s14 of the New Zealand Bill of Rights Act 1990.
